Clicker Student Guide – TurningPoint Cloud

Students must complete ALL the steps below to successfully participate in a TurningPoint/Clicker session.

1. Make an LMS connection (connect ICON and TurningPoint)
2. Purchase/redeem a subscription
3. Log into the TurningPoint app or ResponseWare session

**LMS (ICON + TurningPoint) Connection**

If Clickers are a part of your course, ICON will have a registration link in the Clicker or TurningPoint module of your course site to connect you to your Turning Account.

1. **Log into ICON.**
2. **Select your course** that is using TurningPoint ResponseWare (Clickers).
3. Click **Modules** in the left side Course Navigation menu. Your instructor must have the Module and Clicker registration link published for this to be possible.
4. Click **Turning Account Registration - Clickers.**

5. Enter with your **University of Iowa email** and choose **Create Account**.
6. On the next screen, enter your **Hawk ID** and **password**.
7. If you have a subscription code, enter it into the **Subscription Code** box and click **Redeem**.
8. If you want to purchase a license using a credit card, click **Purchase Subscription**.

9. A device ID is not necessary to participate in a ResponseWare session.
10. If you went through your ICON course’s clicker module, you will see a green checkmark for Learning Management System.

Participate in a TurningPoint Session

There are three ways to participate in a TurningPoint Session.

Option 1: Log into https://student.turningtechnologies.com and click Respond.

Option 2: Go to https://rwpoll.com or https://responseware.com or https://responseware.turningtechnologies.com and sign in.

Option 3: Use the TurningPoint app on your smartphone to participate in a session.

Download the TurningPoint App

The TurningPoint app allows participants to use personal mobile devices in class to respond to the presenter.

The TurningPoint App is available for download on smartphones:

Using the TurningPoint App (ResponseWare)
