Question:

You want to give 3 extra credit assignment opportunities to your students in BOO:1200. What is the best way to do this?
Grading
Extra Credit Options
Extra Credit Options

→ Weighted assignment groups
  • Clear to students
  • Allows ease in setting up multiple extra credit opportunities

→ Quiz 'fudge points'
  • Effective for one-time extra credit opportunities
Weighted assignment groups

- Weights of assignment groups can be changed
- Adding a group called "Extra Credit" to weight beyond 100% allows students to earn extra credit
  - Will never lower students' grades
Quiz 'fudge points'

- Fudge points add points to existing quiz scores
  - Does not change the total points possible

- Fudge points are added through SpeedGrader
  - Navigate to a given quiz in ICON
  - Click SpeedGrader in top right corner
  - Add fudge points at the bottom for displayed student

Fudge Points: 1
You can manually adjust the score by adding positive or negative points to this box.
Final Score: 6 out of 6
Question:

You want to ensure that your content is accessible for all students in SKEL:2200. How can you check this?
Accessibility
UDOIT & Quiz Moderation
UDOIT

→ Accessibility check tool integrated with ICON
  • No installation or outside preparation required

→ Checks for common accessibility issues
  • Alt text, table headers, color contrast, text structure

→ Tool can help you fix many errors/suggestions on results page
Run a UDOIT report

→ Click **UDOIT** tab in course navigation
  • Enable through Navigation tab in Settings if not visible on left menu

→ Check content you would like to scan
→ Click "Scan"

→ Use results to modify content
  • Manually go to content or use **UFIXIT**

UFIXIT with UDOIT

The UFIXIT tool makes it easy to fix accessibility errors without leaving the UDOIT interface in Canvas.*

* There are accessibility issues that require working on content outside ICON
Moderating Quizzes

- Students frequently need a quiz re-opened or allowed extra time
  - Accommodations
  - Internet outages/computer issues

- ICON Quizzes have a "Moderate this Quiz" feature
  - Go to quiz page
  - Click "Moderate this Quiz" in corner
Moderating Quizzes

- Resulting page will show if/when students took the quiz
- Click the pencil symbol at the end of a student's name to edit their number of attempts or time limit for each attempt
Question:
You want students to interact with all your spooky ICON content. What can you do to help this?
Communication/Interaction
"Message students who" tool

→ Use to send messages to certain subgroups of an assignment

→ Can chose students who:
  • Haven't submitted yet
  • Haven't been graded yet
  • Scored less than a particular grade
  • Scored more than a particular grade
Showing Announcements on the Homepage

→ Go to Settings tab
→ Under 'Course Details' scroll to the bottom and click "more options"
→ Check 'Show recent announcements on course homepage' and select how many announcements to show
→ Update Course Details to save
Utilizing Student View

→ Use Student View to check that your ICON site is set up correctly
→ On most pages, you will see the student view option in the top right corner
→ Once clicked, you can navigate your page as the Test Student
→ You can Leave Student View or Reset Student View
Need Help?

→ **Request a consultation**, with follow-up support as needed, to discuss course structure, communication strategies, course facilitation, and more.

→ Ask a SITA for Technical Consultation
  • **SITA@uiowa.edu**

→ **Contact the ITS Help Desk** for technical troubleshooting or technology issues/questions.
